PORTLAND, June 20.—Lookout
towers for use in detecting forest fires
to be placed this summer on sev-

peaks not already equipped.

George H. Cecil, district forester, has
ordered with a construction

be erected on Mount McLaughlin, Dia-
mond Peak and Rustler Peak in the
new National forest, Southern Ore-
gon.

Material for a house was carried to
the summit of Mount St. Helens last
summer, and work on its construction
will be started soon. Mount Adams,
which, like St. Helens, is in Columbia
National forest, is also to be equipped.
Rustler station has been maintained
on Mount Hood for some time.

MEXICO ORDERS TWO COAST GUARD CUTTERS

MEXICO CITY, June 20.—The de-
partment of war and marine has au-
thorized the purchase of two coast
guard cutters to cruise the waters sur-
rounding Lower California, to cope
with the pirates looting the pearl shell
beds which surround that coast. The
vessels probably will be bought in the
United States.

Resolved

That about the most foolish thing I can
do is to be running around town on
business and pleasure, dodging motor-
cycles, automobiles, and the like, with-
out any accident insurance; running
around in the cold and wet, sitting in
drafts, eating anything anywhere, mix-
ing with all sorts of people under all
conditions, without any health or life
insurance. I'm going to get an Aetna
policy at once. Also, I go to bed
nights without shutting off the draft,
leaving matches for the rats to gnaw,
depending upon the electrician to pre-
vent crossed wire blazes, without any
fire insurance. I owe it to myself and
family to provide against loss from

WHEN YOU WAKE UP DRINK GLASS OF HOT WATER

Wash the poisons and toxins from
system before putting more
food into stomach.

Says inside-bathing makes any-
one look and feel clean,
sweet and refreshed.

Wash yourself on the inside before
lies into the blood, causing illness.
This is vastly more important because
the skin pores do not absorb impuri-
ties into the blood, causing illness,
while the bowels pores do.

For every ounce of food and drink
taken into the stomach, nearly an
ounce of waste material must be car-
ried out of the body. If this waste ma-
terial is not eliminated day by day it
quickly ferments and generates poi-
sons, gases and toxins which are ab-
sorbed or sucked into the blood stream
through the lymph ducts which should
suck only nourishment to sustain the
body.

A splendid health measure is to
drink, before breakfast each day, a
glass of real hot water with a tea-
spoonful of limestone phosphate in it,
which is a harmless way to wash these
poisons, gases and toxins from the
stomach, liver, kidneys and bowels;
thus cleansing, sweetening and fresh-
ening the entire alimentary canal be-
fore putting more food into the stom-
ach.

A quarter pound of limestone phos-
phate costs but very little at the drug
store, but is sufficient to make anyone
an enthusiast on inside bathing. Men
wake up with a dull, aching head or
have furred tongue, bad taste, nasty
breath, sallow complexion; others who
have bilious attacks, acid stomach or
constipation are assured of pronounced
improvement in both health and ap-
pearance shortly.—Adv.

MILITARY ROADS AID OFFENSIVE

CONSIDERABLE SHARE OF suc-
CESS AND RAPIDITY OF WORK
IN BRITISH DRIVE THIS SPRING
DUE TO GOOD ROADS

BEHIND THE BRITISH LINES IN
FRANCE, June 1.—(Correspondence).
A considerable share in the success
and rapidity with which the British
armies were able this spring to follow
up the Germans as they fell back from
the Somme and Arras battlefields is
officially attributed to the building by
the British of innumerable military
roads which have been completed on
the heels of the German retreat.

The officer principally responsible
for maintaining this branch of com-
munications, under the direction of
Sir Eric Geddes, the deputy director
general of munitions supply, is Brigadier
General H. P. Maybury, whose
official title is manager and chief en-
gineer of the army roads board. He is
in command of an army of road makers
recruited from towns and villages in
Great Britain, where they were en-
gaged in similar work. Their number
now runs well into five figures. These
men, although almost without regular
army training, are all organized in reg-
iments with officers on the regular
army model, and are equipped with
modern plants and the best material.

these causes, and I'm going to see
Chilcoat at once and get the several
policies I need. 19-3t

HAVE DARK HAIR AND LOOK YOUNG

NOBODY CAN TELL WHEN YOU
DARKEN GRAY, FADED HAIR
WITH SAGE TEA

Grandmother kept her hair beauti-
fully darkened, glossy and attractive
with a brew of Sage Tea and Sulphur.
Whenever her hair took on that dull,
faded or streaked appearance, this
simple mixture was applied with won-
derful effect. By asking at any drug
store for "Wyeth's Sage and Sulphur
Compound," you will get a large bot-
tle of this old-time recipe, improved
by the addition of other ingredients,
all ready to use, for about 50 cents.
This simple mixture can be depended
upon to restore natural color and
beauty to the hair.

A well known downtown druggist
says everybody uses Wyeth's Sage and
Sulphur Compound now because it
darkens so naturally and evenly that
nobody can tell it has been applied—
it's so easy to use, too. You simply
dampen a comb or soft brush and
draw it through your hair, taking one
strand at a time. By morning the
gray hair disappears; after another
application or two, it is restored to its
natural color and looks glossy, soft
and beautiful. This preparation is a
delightful toilet requisite. It is not
intended for the cure, mitigation or
prevention of disease.—Adv.

Jiffy-Jell
The Supreme Dessert

Summer Flavors

Mint
For Lamb
or Mutton

Lime
For Salads
For Relishes

**Pine-
apple**

Mint flavor—made from
mint leaves—is the latest Jiffy-
Jell flavor. It gives you an
instant garnish jelly for cold
lamb, mutton and other meats.

Lime flavor—made from lime-
fruit juice—is tart and zesty and
green. Like all Jiffy-Jell flavors, it
comes in a sealed vial.

It gives you a jelly for salads and
for relishes. Mix your salads into
it and make them a part of the Jell.

Pineapple flavor—made from
pineapple juice—is now in quick
demand. This flavor must be sealed
to keep. And it must not be scalded.

In Jiffy-Jell it comes in a vial, and
you add it when the Jell has partly
cooled.

Jiffy Mint Sauce

For Lamb and Other Meats
Dissolve one package of Jiffy-
Jell in one cup of boiling water. Add
the Mint flavor from the vial, then a
cup of strained liquid from the pan in
which roast is cooked. Serve hot.

And Jiffy-Jell fruit flavor makes
a delightful cold dish—for a dessert,
for a supper dish or a children's
party. Keep several flavors on
hand. Every day this summer
you will find a use for Jiffy-Jell.

TAKE SALTS FOR THE KIDNEYS IF YOUR BACK HURTS

We Should Drink Lots of Water and Eat Less Meat, Says
Noted Authority on Kidney Disorders

Recommends a Spoonful of Jad Salts In Glass of Water Before
Breakfast to Stimulate Kidneys and Eliminate
the Uric Acid

Uric acid in meat excites the kidneys, they
become overworked, get sluggish, ache, and feel
like lumps of lead. The urine becomes cloudy,
the bladder is irritated, and you may be obliged
to seek relief two or three times during the night.
When the kidneys clog you must help them flush
off the body's urinous waste or you'll be a real
sick person shortly. At first you feel a dull
ache in the kidney region, you suffer from
backache, sick headache, dizziness, stomach gets
sour, tongue coated and you feel rheumatic
twinges when the weather is bad.

Eat less meat, drink lots of water; also get
from any pharmacist four ounces of Jad Salts;
take a tablespoonful in a glass of water before

breakfast for a few days and your kidneys will
then act fine. This famous salt is made from
the acid of grapes and lemon juice, combined
with lithia, and has been used for generations
to clean clogged kidneys and stimulate them
to normal activity, also to neutralize the acids
in urine, so it no longer is a source of irritation,
thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, makes
a delightful effervescent lithia-water drink which
everyone should take now and then to keep the
kidneys clean and active. Druggists here say
they sell lots of Jad Salts to folks who believe in
overcoming kidney trouble while it is only
trouble.
